

EXQUISITE FINE JEWELLERY

“ The Emblem Extension ”

“The Emblem Extension”

Following the tremendous success of The Emblem collection, a special collection launched earlier this year to celebrate the brand’s 22nd anniversary, Gems Pavilion’s iconic logo is again reinvented in the form of the new collection, **The Emblem EXT. (The Emblem Extension).**

The meticulous art of fine-jewellery making, which combines unique designs with high-quality materials and superb craftsmanship, is the pillar of the Gems Pavilion universe.

For more than 22 years, we never cease to drive ourselves further and innovate.

To highlight our standpoint as number one of Thailand’s pioneers in fine-jewellery, our latest innovation, **The Emblem Extension**, will be launched simultaneously with the opening of **The Iconic Boutique**, the brand’s third boutique on the first floor of Iconsiam.
